Value Added Dental Plan Member Programs

Total Dental Administrators, Inc. is pleased to offer, at no additional charge, a Discount Vision, a Discount Hearing, and a Discount Prescription Benefits Card program. As a valued member of TDA, you and your enrolled family members have access to these free discount programs just by being a member of a TDA or TDAHP Dental plan.

DISCOUNT VISION PLAN

The TDA Vision Discount plan is a managed vision care program offered through EyeMed Vision Care. The program combines unlimited choice with quality and value and is available nationwide. The plan provides discounts on vision care services (exams), frames, lenses, lens options, contact lens materials, and laser vision correction through EyeMed's contracted providers. The discount is valid for 24 months from your employer group's or individual plan policy's original effective date with TDA.

For more information, please call EyeMed Vision Care at **(866) 723-0596** and inform the representative of your Discount Vision Plan group number: **9233784** (Companion Life Insurance Company) or visit www.EyeMedVisionCare.com and locate a provider under the "Access" network. When visiting a participating provider present your TDA Membership ID card and provide the EyeMed Discount Vision Plan Group Number: **9233784**.

DISCOUNT HEARING PLAN

The Discount Hearing Services Plan, offered through Epic Hearing Health Care, is a negotiated, nationwide benefit plan. You and your TDA enrolled dependents pay nothing to join and receive reduced rates for most fees and costs associated with your hearing health care under the Epic Hearing Health Care plan. Prices you receive from Epic Hearing may be as much as 50% below manufacturer's suggested retail price and up to 35% lower than most discount offers. Services may be received nationwide, but must be provided by an Epic Hearing contracted provider.

Simply call **(866) 956-5400** and indicate to the representative that you are a member of the Total Dental Administrators Dental plan and you would like to register. Epic Hearing will send you a card with all of the information you need to access your benefits, including referrals to providers near you and activation forms to access the providers. You will receive a booklet outlining all of the plan benefits, including detailed pricing. You will receive a personal EPIC telephone contact who can answer any questions you may have. All you have to do is follow through with your appointment, examination, and treatment. All payments should be made to Epic Hearing Service Plan. No other billing or payments should occur. You may contact Epic at any time for assistance, advice or information at **(866) 956-5400**.

DISCOUNT PRESCRIPTION BENEFITS CARD

As a TDA dental plan member, you and your family have access to a FREE Prescription Drug Card program. Just visit www.ArizonaDrugCard.com and enter your name and e-mail address (if you don't have an e-mail address, you may enter *none*) and the Web site will generate a printable membership card for you. The card is pre-activated and may be used immediately to start receiving savings of up to 75% at participating Arizona pharmacies. Each member of your family must have their own card; however, you may create as many cards as you need.

Participating pharmacies include: **Fry's Food & Drug Store, Kmart, Rite Aid, CVS Pharmacy, and Walgreens**, as well as thousands of independent pharmacies. This program has "LOWEST PRICE" logic to guarantee that you pay the lowest price on your prescriptions (you pay the lower of a discount off the Average Wholesale Price-AWP, a discount calculated off MAC Pricing, or the Pharmacy Promotional/Retail price).

If you can't print a card, have your pharmacy call the **Pharmacy Help Line (877) 321-6755** and a representative will help the pharmacist process your prescription. If you have any questions, or if you will be traveling or moving outside the State of Arizona, you may contact **Customer Service at (800) 726-4232** for assistance. Please note, drug pricing is NOT available over the telephone; however, you may look up drug pricing online by clicking on the "Pharmacy Locator" and "Medication Pricing" buttons at www.ArizonaDrugCard.com.
